**CONFIDENTIAL INFORMATION**

This document is the property of

Laboratories Pty Ltd and must not be removed from these premises unless authorized by specific personnel.

--Special hazards arising from: None.

**Dangerous combustion residues:** No information available.

--Advice for firefighters: In the case of fire use respirator.

#### 6. ACCIDENTAL RELEASE MEASURES

--Emergency procedures: None required.

--Method and materials for containment and clean up: Contain with liquid absorbing material such as sand or sawdust. Wear protective equipment to prevent skin and eye damage. For small spills wash with plenty of water.

#### 7. HANDLING AND STORAGE

--Handling procedures: Nil.

--Storage procedures: No information available.

--Container Type: 500ml PET pump pack, 500ml fill top, 9L pack.

#### 8. EXPOSURE CONTROL AND PERSONAL PROTECTION

--Control procedures: None

--Personal protection: No special measures required

--Hands and skin: No special measures required.

#### 9. PHYSICAL AND CHEMICAL PROPERTIES

--Appearance/odour: Clear amber liquid

--Formula/Ingredient – basics: Purified water, organic olive oil, organic flaxseed oil, organic coconut oil, organic sunflower oil, organic glycerin, potassium hydroxide, citric acid and essential oils.

--Odour threshold: Depending of variety

--pH-value: 9.5-10.3

--Melting point / freezing point: Not available.

--Initial boiling point and boiling range: 105°C.

--Flash point: Not available.

--Evaporation rate: Not available.

--Flammability (solid, gas): Not available.

--Upper/lower flammability or explosive limits: Not available.

--Vapour pressure: Not available.

--Vapour density: Not available.

--Specific gravity: 1.02

--Solubility: Soluble in water

--Partition coefficient n-octanol/water: Not available.

--Auto-ignition temperature: Not available.

--Decomposition temperature: Not available.

--Viscosity: Not available.

--Explosive properties: Not available.

--Oxidising properties: Not available.

#### 10. STABILITY AND REACTIVITY

--Reactivity: Not available.

--Chemical stability: The product is stable.

--Possibility of hazardous reactions: Not available.

--Conditions to avoid: None.

--Substances to avoid: None.

--Hazardous decomposition products: Not available.

#### 11. TOXICOLOGICAL INFORMATION

--Acute toxicity: Not available.

**CONFIDENTIAL INFORMATION**

This document is the property of

LaboratoriesPtyLtdandmustnot beremoved from these premises unless authorized by specific personnel.

**Inhalation:** Not normally a hazard due to the non-volatile nature of the product.

**Ingestion:** Not classified as harmful, however ingestion of large quantities may cause irritation to the digestive tract.

**Skin contact:** Repeated or prolonged exposure with skin may cause drying.

**Eye contact:** Irritant to the eye.

--*Skin corrosion/irritation:* Repeated or prolonged exposure with skin may cause drying.

--*Serious eye damage/irritation:* Irritant to the eye.

--*Respiratory or skin sensitization:* Repeated or prolonged exposure with skin may cause drying.

--*Germ cell mutagenicity:* There is not expected negative impact.

--*Carcinogenicity:* There is not expected negative impact.

--*Reproductive toxicity:* There is not expected negative impact.

--*STOT-single exposure:* No information available

--*STOT-repeated exposure:* No information available

--*Aspiration hazard:* No information available

**12. ECOLOGICAL INFORMATION**

--*Toxicity:* No information available

--*Persistence and degradability:* Biologically well degradable

--*Bioaccumulation potential:* Possible

--*Mobility in soil:* No information available

--*PBT characteristics:* No information available

--*Other harmful effects:* No information available

**13. WASTE DISPOSAL**

Disposal should be in accordance with local, state, or national legislation.

**14. TRANSPORT INFORMATION**

This substance is not subject to IATA DGR. Suitable for any kinds of transport, such as Road, Rail, Sea, Air and Courier.

**15. REGULATORY INFORMATION**

Comply with Certified Organic Regulations of Australia.

--store in a cool and dry place

--keep away from sunlight
